

WTH Charity Champion: Role Description

Role Title: Charity Champion

Reporting to: Business Director

Wiltshire Treehouse is a small charity based in Swindon which supports bereaved children, young people, and their families. We provide a range of support services including advice and guidance to families and professionals and bereavement support programmes for families and a young person's programme. Our services are delivered across Swindon and Wiltshire, for the benefit of anyone living or educated within the county.

We are looking for volunteers to become our Charity Champions across Swindon and Wiltshire. This role will involve representing the Charity at events like fetes, local farmer's markets, supermarkets or community events such as a duck race, dog show or Pride events.

For a list of recent & forthcoming events, please see <https://wiltshiretreehouse.org.uk/events/>

We know that our work with bereaved children and young people has a transformative effect on their wellbeing and life chances. However, we need help as to continue this as pressures on the charity sector build. We are becoming more reliant on donations from individuals, communities and businesses as grants become more difficult to secure. With our charity facing financial strain, it is vital that we are promoted to the communities we serve.

In return for your time and dedication, we can offer you training, support and updates about our work. For more information head to our website or email businessdirector@wiltshiretreehouse.org.uk with your contact details and we will be in touch.
